

We are the

Boys Home of Virginia

and a *successful* man starts here.

Founded in 1906, the Boys Home of Virginia is affiliated with the Episcopal Church in the Dioceses of Southern and Southwestern Virginia. We serve boys ages 6 to 18, and for over one hundred years, we have been creating an environment for success.

With a school, chapel, gymnasium, and vocational-technical learning center on campus, as well as a partnership with the local school system, a Christmas tree farm, and land on a local mountain for outdoor activities, including fishing, camping, and hiking, Boys Home provides each resident with a wide range of opportunities to learn and grow into the best man he can be.

“All successful men were once boys. But not all boys become successful men. Sometimes, they’re missing positive role models or a supportive quality of life. We provide both, and successful men are the result. Men who will take care of their families. Men who will contribute their gifts. Men who will be role models for the next generation of men. At Boys Home of Virginia, we show our boys that each day is a step toward that success.”
