To: All Alumni and friends:

As we close a few final chapters of 2020 and start a few new chapters in the 2021 “The Book of Unknowns,” we certainly will still have a few feelings of uncertainty. Since we cannot peek at the end of the book nor read a few chapters ahead, we must deal with situations in this book, page by page. That’s a poetic way of saying we really don’t know what is going on in this crazy world sometimes. Well, guess what? One thing we do know and can be happy for is that we will be having a Boys Home alumni meeting this summer. It has been too long since we were able to get together. Although many mandates have been lifted and many people are starting to feel we will be returning to the ole normal, we still have a long way to go. Mr. Wheatley certainly feels positive about our meeting.

Our meeting will be **Saturday, June 19, 2021**. We will conduct the meeting in a manner as safe as possible and I recommend you wear your mask and keep as much social distancing as possible. Unfortunately, the alumni president will not be able to attend due to some personal issues and he has asked me to conduct the meeting in his absence. I am honored.

We have a few very important issues to discuss this meeting, so I am asking that each of you attend and bring a friend or brother that has not attended for a while or may need help getting to the meeting. Since the meeting is just a few weeks away, I am not sure we could properly form a search committee for alumni officers. I do ask that you keep this in the back of your mind, as we do need to elect officers. All positions are up for election or reelection. Keep in mind, the last meeting was the social meeting at Christmas of 2019. We have a lot of catching up to do.

Please let us know of any alums who have passed in the last year so that we can remember them at the meeting.

I look forward to a fun day of business, catching up, normal lie telling and bragging. See you soon and remember “Few have lived as we.”
